

# CONDITIONS OF SALE

## ALL QUOTATIONS AND SALES ARE SUBJECT TO THE FOLLOWING TERMS AND CONDITIONS

**CONTROLLING PROVISIONS** These terms shall supersede any provisions, terms and conditions contained on any confirmation order, or other writing Buyer may give or receive, and the rights of the parties shall be governed exclusively by the provisions, terms and conditions hereof. If a purchase order on a form provided by the Buyer in any way conflicts with or is inconsistent with the terms or conditions herein, the terms and conditions of these Conditions of Sale will prevail.

**SHIPMENT** All prices are F.O.B. Seller's distribution center. Method and route of shipment are at Seller's discretion unless the Buyer supplied explicit instructions. All shipments are insured at the Buyer's expense and made at the Buyer's risk. All freight, express and delivery charges shall be paid by the Buyer, or charged as a separate item to the Buyer. The acceptance of the merchandise by common carrier shall CONSTITUTE DELIVERY. Title to goods held for shipping instructions or held at the request of the Buyer shall pass to the Buyer upon assembling of such goods and upon notice thereof to the Buyer, and thereafter such goods shall be held at the Buyer's risk. Partial deliveries shall be accepted by the Buyer and paid for at contract prices upon maturity of bills thereof. If any part of the merchandise is not delivered by the Seller, or is not in accordance with the contract, the contract for the remainder of the merchandise and the Buyer's obligations thereunder shall not be affected thereby. In addition to the net price stated herein, the Buyer agrees to pay to the Seller any increases in cost on account of this transaction or any operation thereof, including costs of materials resulting from Federal, State, or Municipal legislation, regulation, order or action dealing with taxes, payroll taxes, wages and hours, allocations or price controls. No liability shall attach to the Seller in the event delivery or other performance under this contract is prevented or restricted by any allocations, controls, or regulations imposed by legislation or by any governmental agency, and in that event Buyer agrees to accept such partial delivery as the Seller may be able to make.

**CREDIT** In case any bill shall not be paid when due, all sums owing under this and other contracts between Seller and Buyer shall, at the option of the Seller, become due at once, irrespective of terms of sale, and Seller may defer delivery under this and such other contracts until such sums shall be paid and for a reasonable time thereafter. Buyer shall pay interest at the highest rates charged by commercial banks in New York City or the maximum interest rates permitted by the laws of the Buyer's jurisdiction. Interest shall be charged from the day such amount is due until paid, and Buyer agrees to pay all of Seller's costs and expenses incurred in collecting from Buyer, including fees of Seller's counsel, whether in-house or outside counsel. The terms of credit specified herein shall be subject to change by the Seller but in no event shall the Buyer be released from liability by reason of any such change unless Seller cancels this agreement in writing. If the total amount under the contract of Buyer exceeds the line of credit from time to time established by the Seller, or if Buyer fails to make payment on past due invoices, or in the opinion of the Seller the financial conditions of the Buyer warrants it, Seller may limit or cancel the credit of Buyer as to time and amount. Seller may then demand payment in cash before delivery of any part of the merchandise and upon failure by Buyer to make payment within ten (10) days after written demand, Seller may cancel contract.

**DELAYS** Seller will not be liable for any delay in the performance of orders or contracts, or in the delivery or shipment of goods, or for any damages suffered by Buyer when such delay is directly or indirectly caused or arises from fires, floods, accidents, riots, acts of God, war, government interference or embargoes, strikes, labor difficulties, shortage of labor, fuel, power, electricity, materials, or supplies, transportation delays, or any other cause beyond Seller's control. Seller shall not be liable for consequential damages or for any damages by reason of Buyer's inability to obtain substitute goods or for special damages, even if Seller is aware thereof. Seller shall not be liable for non-delivery or late delivery, if Seller's suppliers fail to deliver or are late in delivering materials.

**TAXES** Prices on goods specified herein are exclusive of all Federal, State, County and City excise taxes, including but without limiting the generality of the foregoing, taxes on manufacture, sales, receipts, gross income, occupation, use and similar taxes. Where applicable, such tax or taxes will be added to the invoice as a separate charge to be paid by the Buyer.

**SELLERS RIGHT TO POSSESSION** Seller shall have the right, at any time, and without prior notice to Buyer, for credit reasons, because of Buyer's default or because of government price controls or allocation, to withhold shipments, in whole or in part, to recall goods in transit, retake same and repossess all goods which may be stored with Seller for Buyer's account. Buyer consents that all the merchandise so recalled, retaken or repossessed shall become the property of Seller, with Buyer receiving full credit.

**CANCELLATION** An order accepted by Seller can be canceled by Buyer only with Seller's prior written consent and upon terms that will indemnify Seller against loss.

**ACCORD AND SATISFACTION** Any check or remittance received from or for the account of the buyer may be accepted and applied by Seller against any indebtedness or obligation owing by the Buyer, without prejudice to or discharge of the remainder of any such indebtedness or obligation regardless of any condition, statement, or notation appearing in or accompanying such check or remittance.
